

Health Statement and Primary Care Physician

According to TXDFPS standard 746.611 Integrity Academy must have a health statement on file for all children in care within one week of enrollment.

(a) A health statement is:

1. A writing statement, from a health-care professional who has examined the child within the past 12 months, indicating the child is able to take part in the childcare program; or
2. A signed affidavit from the parent stating that medical diagnosis and treatment conflict with the tenets and practices of a recognized religious organization of which the parent is an adherent or a member; or
3. A signed statement from the parent giving the name and address of a health-care professional who has examined the child within the past year stating that the child is able to participate in the program. This must be followed by a signed statement from a health-care professional as specified in paragraph (1) of this subsection within 12 months of the date of admission.

(b) You must have a health statement on file at the center, within one week after the date of admission, for each child who does not attend pre-kindergarten or school.

My child, \_\_\_\_\_, has been examined by Dr. \_\_\_\_\_ within the past 12 months and deemed able to participate in the program at Integrity Academy at Casa de Luz, Center for Integral Studies. I acknowledge that this letter must be followed by a signed statement from a health-care professional as specified in paragraph (1) of this subsection within 12 months of the date of admission.
